Please note:

1.) The Student Houses close for the Winter Break. Students who require accommodation over the Winter Break must inform the College in good time, so that alternative arrangements can be made with Host Families and the families of current students who live in Europe. 2.) The Student Houses remain open during the Fall and Spring breaks. Students who do not wish to travel, or do not wish to travel for the full break, may stay at the College. 3.) The dates are published well in advance so that parents and guardians can make necessary travel arrangements on the correct dates. UWCRBC does not give permission for students to return late or to travel home early, to preserve the integrity of the beginning and end of the Semesters.
