

REFUGEE APPLICATION FORM

Student and parent information and conditions of application

UWC schools, colleges and programmes deliver a challenging and transformative education experience to a diverse cross section of students, inspiring them to create a more peaceful and sustainable future.

UWC has 18 schools and colleges across 5 continents, all with distinctive characters but sharing the same mission, ethos and values.

Although strong academic achievement is valued highly at UWC, academic achievements are put into perspective with a demanding mix of community engagement, international affairs, physical activities, and creative pursuits.

Our student intake is deliberately diverse and each of the schools and colleges draws together students from many different nations and backgrounds. Our bursaries, scholarships and fee structures aim to ensure a broad socio-economic mix within the student body that adds value to the student experience and the organisation.

UWC depends on the dedication and expertise of a network of volunteers to promote UWC and select future students. These are called national committees and they operate in more than 140 countries worldwide.

Each year a national committee will receive from the UWC schools and colleges a specific number of places (which may include a scholarship, bursary/partial scholarship or fee-paying place) for which they select students to study the International Baccalaureate (IB) Diploma. If a national committee exists in your country and you require a scholarship, you must apply through that committee.

Young refugees now living in Germany can apply directly to UWC Robert Bosch College, as an application from their home countries is usually not possible. Since the foundation of the College, we have reserved at least two places for students with a refugee background and provide full scholarships along with these. For the intake of students in August 2021 one of these scholarships is provided by the RISE Foundation, which is dedicated to finding extraordinary young people who need opportunity and supporting them for life as they use their talents to serve others. For more on the RISE initiative please see: www.risefortheworld.org

Please make sure you find out as much as possible about UWC before going ahead with your application. It is important that you understand the aims of the organisation and the commitment involved in the programmes that are offered. For more information, please go to www.uwc.org
