

UWC Robert Bosch College Vacancies for fall 2026

UWC Robert Bosch College is an international boarding high school for young people aged 16-19 from all over the world and with diverse backgrounds. Our students from around 90 different countries live and learn on campus for two years and acquire the International Baccalaureate (IB) Diploma. UWC Robert Bosch College seeks dedicated and inspired educators who are committed to the intellectual, social, and ethical development of students. We value candidates who are drawn to the particular educational experience of the United World Colleges, and to UWC Robert Bosch College's unique mission within the movement.

From **August 2026**, initially on a two-year contract renewable by mutual consent, UWC Robert Bosch College is seeking qualified candidates (m / f / d) to teach

- **IB DP Chemistry and IB DP Physics (combined total of 80%-100%)**

Successful applicants are likely to hold these qualities:

- An internationally-recognized teaching qualification for senior secondary schools (in the German education system this would be a 2. Staatsexamen); in some cases, the local school officials have also recognized a Master's degree in the subject to be taught
- A recognized academic degree in the academic subject(s)
- Commitment to UWC mission and values
- A demonstrated passion for teaching and learning in a multicultural context
- The ability and willingness to teach more than one subject and active participation in our CAS program
- Willingness to engage students beyond the classroom
- Adventurous, challenge-seeking spirit
- International mindedness – international experience is considered an asset
- Experience in a UWC or IB school is considered an asset but is not a prerequisite

All applicants should have a passion for teaching the subject to highly motivated 16–19-year-old students. In addition, faculty and students at UWC Robert Bosch College see education extending far beyond the classroom. All teachers are expected to lead by example and partner with students in their engagement with the community, locally, nationally and internationally.

UWC Robert Bosch College offers to its employees the opportunity of broad individual professional development, the participation in an inspiring school community and a working place in an outstanding environment in one of the nicest cities in Germany.

We particularly encourage applications from candidates with diverse backgrounds and situations.

Interested applicants should send the following documents by 6th April 2026 to career@uwcrobertboschcollege.de:

- CV
- brief cover letter
- contact information for three referees
- a succinct statement of commitment to the UWC mission of peace and sustainability
